

The County of Sacramento Consolidated Utilities Billing & Service is happy to offer our customers a

# Monthly Billing Option!

Smaller payments...easier on your budget.

In response to many requests, we now offer you the option of converting your **bi-monthly** (every 2 months) County Utilities bill to a **monthly** service bill for an additional charge of just 42 cents each month.

To choose this option, simply complete the form on the reverse side and return with your utility payment. Please allow up to 120 days for this change to be effective.
