

What is NorthCAST?

NorthCAST is the North County Community Area Service Team.

The team combines efforts of Sacramento County and community agency employees. NorthCAST works directly with the community to improve the quality of life in the Northern Area of Sacramento County via improved services.

Working with the Community

Have Questions?

- What services does the County provide for residents and business of the North Area?
- How can NorthCAST help to resolve the issues of abandoned cars, loud noises, nuisances and other concerns of my neighborhood?
- Who can I contact directly to address my concerns and issues?

Get Answers!

Contact the North County Community Area Service Team for answers.

In addition to the regular Sacramento County hotlines for nuisance abatement and safety, NorthCAST members have been designated as your personal service contacts in Northern Sacramento County. Each member is a specialist in his/her field who is committed to working with the community to sustain and improve the quality of life in your community.

You can either use the contacts on the inside pages or contact Mark Manoff, the North County Service Area Manager, directly at 874-5381.
